University continuing education, a strategic investment
INNOVATIONS AND PRACTICES IN EVALUATION

Ahidoba de Franchi Mandscheff

University of Geneva

Sociologist and Statistician, she has been working since 2002 for the Continuing Education Centre of the University of Geneva. She is in charge of the Quality Development of continuing education programmes. She provides coaching and advice for directors and coordinators for setting up continuing education programmes: budget, regulations, pedagogy and marketing. She is also responsible for statistics of University of Geneva continuing education.

Ahidoba de Franchi Mandscheff, representing the project partner University of Geneva, actively contributed to the EUCEN projects EQUIPE, EQUIPE Plus and VIRQUAL. She is member of the Steering Committee of EUCEN since 2012.
