

euken 2015 AUTUMN SEMINAR
Brussels, Mon 16-Tue 17 November 2015

<http://autumn2015seminar.euken.eu>

University continuing education, a strategic investment
INNOVATIONS AND PRACTICES IN EVALUATION

President of euken

Françoise de Viron

Université catholique de Louvain, Belgium

Professor Françoise de Viron has been actively involved in University Lifelong Learning (ULLL) for more than 14 years, after spending 15 years in the field of Artificial Intelligence and Training Systems in the private sector. She was Director of the Lifelong Learning (LLL) Unit at the Université catholique de Louvain (UCL) from 2003 to 2009. Since 2009, she is Professor at the UCL, teaching in Education and Management Sciences in two Master degrees: the Business Engineering Master and the Education Sciences Master, the latest being fully dedicated to adults. She is presently doing research and action research in the field of Adult Education and ULLL. Within her university she is currently a member of the Continuing Education Council in charge of the LLL strategy and policy.
